Report

(Not more than 500 words)

The rally began at 1:00 PM from the Natraj Staircase, Aryabhat Building. The Leader of the Rally welcomed the participants, gave a short introduction, and briefed everyone about the purpose of the rally. He then invited Dr. Suresh Ukarande, Director, K J Somaiya School of Engineering, to address the gathering.

In his speech, Dr. Ukarande spoke about the implementation of NEP 2020 at Somaiya Vidyavihar University and highlighted the benefits students are receiving through various initiatives under the policy.

After the briefing, the rally started from the Natraj Staircase and moved along the route:

Natraj Staircase → Gargie Plaza → Ganpati → SSA → Amphitheater → Disperse

More than 150 participants, including students, faculty, and staff, actively took part in the rally. All participants followed the dress code of white or blue attire and carried their university ID cards.

The rally spread awareness about the key features of NEP 2020, such as holistic learning, skill development, creativity, innovation, and multidisciplinary education. To make the rally lively and engaging, participants used catchy call-and-response slogans, for example:

Leader: "What do we want?"

Crowd: "Holistic Education!"

Leader: "NEP 2020 is the key!"

Crowd: "For a bright and skilled India, you'll see!"

Leader: "Skill and knowledge, hand in hand!"

Crowd: "NEP will strengthen our land!"

Participants also carried placards and banners displaying the vision, reforms, and benefits of NEP 2020. Throughout the rally, everyone maintained discipline and followed the rally code of conduct.

The rally concluded at 1:45 PM with group photographs and concluding remarks by Dr. Sudha Gupta and Mr. Rajesh Pansare. After the rally, refreshments were served to all participants at the Amphitheater.

The event was successful in spreading awareness about NEP 2020 and motivated the Somaiya Vidyavihar University community to work together towards achieving the goals of the policy.
